

*Principal Report  
School Board  
March 15, 2011*

Our middle school students had a very successful ski trip on Monday. Next year I would like to offer a ski program for our middle/high students like we do for our elementary students. I'll keep you apprised.

We had an successful unannounced "Secure the School" drill on Feb. 15. The Leadership Council is beginning to work on the Evacuation process.

The staff met with me and we had two very successful "Futures of our school" meeting. The staff had some wonderful ideas. We will continue staff meetings to discuss and outline workable ideas.

The Middle/High school students had their Winter Fun day on Friday, Feb. 18<sup>th</sup> – they all had a great time!!

The PTO had a successful "Sock Hop" last Saturday. They raffled off a coffee maker and a quilt.

Our elementary students and staff read a total of 21,914 minutes during our "I love to Read" program! We ROCK!

Our 11th graders went on their "We are great!" trip to honor their 100% Honor Roll membership today. They went swimming and ate at Koto's –where they had an amazing chef!!

As you know our Winter Break was Feb. 21-Feb 25. Most of our teachers didn't attend the inservice day on Feb 28 due to the horrible driving conditions. They were given that option by Mr. Poljacik.

You probably heard that during the Town Meeting our sidewalk was not shoveled. Tim D. purposefully left the snow on the sidewalk and sanded it heavily because of the sleet. Obviously this decision wasn't a great one as the sleet stopped and the snow was thick on the sidewalk. Just an FYI for you.

Our 4<sup>th</sup> and 8<sup>th</sup> graders took the NAEP test on Wednesday, March 2nd the NAEP personnel were very impressed with our students' behavior and complemented us.

Our varsity boys and girls basketball teams went to the Play-Downs and were amazing!

We had a Fan Bus that went to both games and we have received both verbal and written statements from the other school's AD's, principals, parents, about how well our players played and what an amazing fan base we have. I agree!

We have had a request to use our gym for Roller Blade Practice. Tim checked with our insurance company and they recommended not allowing the group due to possible damage to the floor and liability issues. Just an FYI.

Our 5<sup>th</sup> -12<sup>th</sup> graders went to Bethel by bus on Tuesday, March 8<sup>th</sup> to see the Army National Guard Band. Our middle school band stayed for the rest of the afternoon and the evening and played with the band.

Our seniors have ordered their announcements, their caps and gowns and finished their senior pages for the yearbook. We have a large senior class with 31 students graduating.

Our rooftop Air Handlers have been acting up lately. Please see Tim Dunham's Repair Report (on back)

I will discuss a few student issues and a course concern during executive session.
