Central Vermont Big Picture

222 South Main Street

Rochester, VT 05767

Big Picture Learning seeks to engage students and their families in the educational process. As a result, our application requires input from the student and his or her parent or guardian. This application will help us understand your goals, needs and interests. We will contact you to share more information about the selection process and invite you for a personal interview. Thank you for applying!

What is your favorite thing (or things) to do?

What types of experiences bring out the best in you?

List three activities or hobbies that you have done outside of school, and that have been important to you.

Describe a learning experience in which you have felt fully engaged (either in our outside of school).

As you may know, Big Picture students participate in internships two days per week. Please list any ideas you have about internships that might interest you. Don't feel as if you need to list actual businesses or organizations, but any general ideas of what you might like to do will help us!

Please explain why you want to pursue your learning in the Central Vermont Big Picture program. Your response will help us learn more about you as a student.

Please list the names of two teachers or other staff members to whom we could speak about your application. Try to select staff members who know you best and will be able to talk about why you would be a good fit for Big Picture.
